

Title	SEMINAR ON “FUNDAMENTALS OF RESEARCH AND STEPS IN RESEARCH PROCESS”	
Department	Department of Information Science and Engineering	
Date	From: 18/04/2023	
Time	From: 11:00 am	To: 1:00 pm
Brief Description	<p>The i-SCRUM club of Department of Information Science and Engineering conducted a seminar on "The Fundamentals of Research and steps in Research process". The event was held on the 18th of April 2023 from 11:00 a.m. to 1:00 p.m. The seminar was conducted for undergraduate students of all the departments. The event had an active student participation of more than 70 students.</p> <p>The resource person for the seminar was Dr. Saira Banu Atham. She has more than 20 years of academic experience and is currently the HOD at Presidency University in Bengaluru. During the seminar, Mrs. Saira Banu provided an in-depth understanding of the research process and the fundamental concepts that one needs to be aware of while conducting research. She spoke about the importance of selecting a research topic, developing a research question, and formulating a hypothesis. She also emphasized the importance of conducting a literature review and gathering data through various research methods.</p> <p>In addition, Dr. Saira Banu discussed the steps involved in data analysis and the various statistical techniques that can be used to analyze research data. She also highlighted the importance of writing a research paper and the guidelines one should follow while doing so. Overall, the seminar provided valuable insights into the research process and equipped students with the necessary knowledge and skills to conduct research effectively.</p>
