

Title	CODIGO	
Department	Department of Information Science and Engineering	
Date	From: 18/04/2023	
Time	From: 11:00 am	To: 4:00 pm
Brief Description	<p>The event Código was conducted on 18th April, 2023 under VMware IT Academy Club, an intra-collegiate technical event held by the Information Science & Engineering department. The event started around 11:00 a.m. in the morning with an enthusiastic participation of 60 students across various departments. The event Know-how was given outlined of all participants. Our Prestigious event Código had two rounds in total.</p> <p>The entire event was based on problem solving ability, memorization skills and also focused on technical knowledge. The first round was conducted successfully in one of the classrooms in the ISE department. This technical round was an individual round where the participants(60 participants in total) had to memorize and solve a set of technical questions. The selected participants(top 30 out of 60 participants) had to go through another sub round where they were put through a similar testing environment. From this round, we were successful in screening the top 16 participants for the next and the final round.</p> <p>In Round 2, was a complete coding round in which the selected participants were teamed in pairs and to coordinate with each other and solve 10 questions in total which was done in Hacker rank . Top four teams were awarded with certificates and exciting gifts.</p> <p>1st place – Niranjan.J & Mohammad shareef 2nd place – Kamboji Akhilesh & Lokesh prasad 3rd place – Sai Sourabh & Hari Krishna</p>
