

Title	EXPERT TALK ON “EMERGING TECHNOLOGIES AND CAREER GUIDANCE”	
Department	Department of Information Science and Engineering	
Date	From: 23/05/2023	
Time	From: 11:00 am	To: 1:00 pm
Brief Description	<p>The expert talk “EMERGING TECHNOLOGIES AND CAREER GUIDANCE” was conducted on 23rd May, 2023 at NHCE by the department of Information Science and Engineering in coordination with iSWET(G) club.</p> <p>The expert talk on Emerging Technologies & Career Guidance by Ms. Pratikshita Chowdhary and Ms.Chhavi Kumar- Senior Executives from "One million for one billion" was highly informative and helpful to all the students. The company's main objective is to empower today's youth with knowledge of futuristic tech and assist them in becoming global leaders of the future.</p> <p>The leadership skills and soft skills were effectively delivered by Ms.Chhavi, who covered the areas like qualities of a leader and the necessary soft skills required by a professional to reach greater heights in their career.</p> <p>Ms.Pratikshita's area of focus was on emerging technology. It was a very interactive session as she actively collected all the student's opinion on Metaverse and related technologies like Artificial Intelligence, Virtual Reality and Augmented Reality; their applications and future growth. She gave many insights on the above tech which interested many students to research more about these fields.</p> <p>Together both the speakers conducted a fascinating seminar which was enjoyed by all the students and were also eager to attend another informative session by the duo in near future.</p>
