

Title	<b>WORKSHOP ON INTRODUCTION TO BLOCKCHAIN</b>	
Department	Department of Information Science and Engineering	
Date	From: 19/05/2023	
Time	From: 10:00 am	To: 4:00 pm
Brief Description	<p>The workshop on “INTRODUCTION TO BLOCKCHAIN- HOW TO CREATE A SMART CONTRACT” was conducted on 19th May, 2023 under VMware IT Academy Club of the Information Science &amp; Engineering Department.</p> <p>Workshop Overview: The event was designed to provide participants a comprehensive understanding of blockchain technology and hands-on experience in creating smart contracts. Smart contracts are self-executing agreements with predefined conditions and actions that are stored on a blockchain. This workshop guided the participants through the process of designing, developing, and deploying smart contracts using a popular blockchain platform.</p>
