

NEW HORIZON COLLEGE OF ENGINEERING

Department of Information Science and Engineering

Name: Y Sai Siva Sri Charan

USN: 1NH21IS185

OUTREACH PROGRAM, BANDIPUR

DATE: 16TH NOVEMBER 2023

New Horizon College of Engineering and 4/6 Coy NCC NHCE, had an Outreach Program through Enhancing Lives in Four Villages. The National Cadet Corps (NCC) cadets undertook a commendable initiative to distribute clothes, books, and essential items in four villages. We performed the following task there: Addressing the basic needs of residents in underserved villages, providing educational resources to enhance learning opportunities, Strengthening ties between the NCC and local communities. NCC cadets meticulously planned the distribution, considering the specific needs of each village. Donations of clothes, books, and essential items were gathered through community outreach and partnerships with local businesses. Cadets organized transportation and logistics to ensure the efficient distribution of items. Events were held in each village, where cadets personally handed out items to community members.

Plantation Program
Venue: New Horizon School, Hoskote
Date: 25th NOVEMBER 2023

On 25th November 2023, 4/6 COY, 7KAR NCC organized a remarkable plantation event at New Horizon School at Hoskote. The event aimed to promote environmental awareness, sustainable practices, and the importance of planting trees for a greener future. A fallin was conducted at Hoskote to aware cadets about requirement of plantation, event witnessed the active participation of the cadets at New Horizon School. The cadets planted a diverse range of saplings throughout the school premises. Cadets were divided in groups for plantation, fostering a sense of responsibility towards the environment. The plantation event at New Horizon School proved to be a resounding success. It not only instilled a sense of environmental responsibility among the cadets but also created awareness about the importance of preserving nature.

Republic Day

Venue: New Horizon College of Engineering

Date: 26th JANUARY 2024

On 26th January 2024, the New Horizon College of Engineering witnessed a grand celebration of the 75th Republic Day, organized by patriotic and dedicated NCC cadets of 4/6 Coy 7 Kar. The day commenced with the piloting team heading the guest towards the venue. Traditional flag ceremony was held as a ritual and respect towards nation, Mr. Manjunatha (principal) had the honour of unfurling the national flag, and the NCC cadets of 4/6 Coy 7 Kar showcased their discipline and commitment during the ceremony. Continued by giving guards of honour to the national flags. Following which, the NCC cadets presented an impressive march past and drill performance. Their synchronized movements and attention to detail were commendable.
