

DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

Congratulations to the ISE Department Students of New Horizon College of Engineering (Batch 2021-2025)

"Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful." - Albert Schweitzer

It is with immense pride and joy that we acknowledge the remarkable achievements of the students from the Information Science and Engineering (ISE) Department of New Horizon College of Engineering. We extend our heartfelt congratulations to these talented individuals for securing esteemed positions in some of the top companies, showcasing their skills and commitment to their chosen field.

These placements are a reflection of not just the students' hard work but also the unwavering support and guidance provided by the faculty and the institution. It is the combination of rigorous academic training and the nurturing environment at New Horizon College of Engineering that has equipped these students with the necessary skills to excel in their careers.

As these students embark on their professional journeys, we are confident that they will continue to make us proud. Their success sets a benchmark for future batches and serves as an inspiration for their peers. We believe that the foundation laid at New Horizon College of Engineering will empower them to achieve even greater heights in their respective fields.

The department's focus on holistic development ensures that students are not only academically proficient but also industry-ready.

We wish you all the best in your future endeavors. May you continue to strive for excellence and make significant contributions to the tech industry. Your journey is just beginning, and we are excited to see the incredible impact you will undoubtedly make.
