### Coding Contest- In Association with CSI student chapter (2024)

---

**Subject: Coding Contest**

**Audience: 4<sup>th</sup> Semester Students**

**Date: 30-07-2024(3 PM-4 PM)**

The Department of CSE, ISE, MCA and AIML jointly had organized the **Coding Contest** finals on 30<sup>th</sup> July 2024 for the 4<sup>th</sup> semester students.

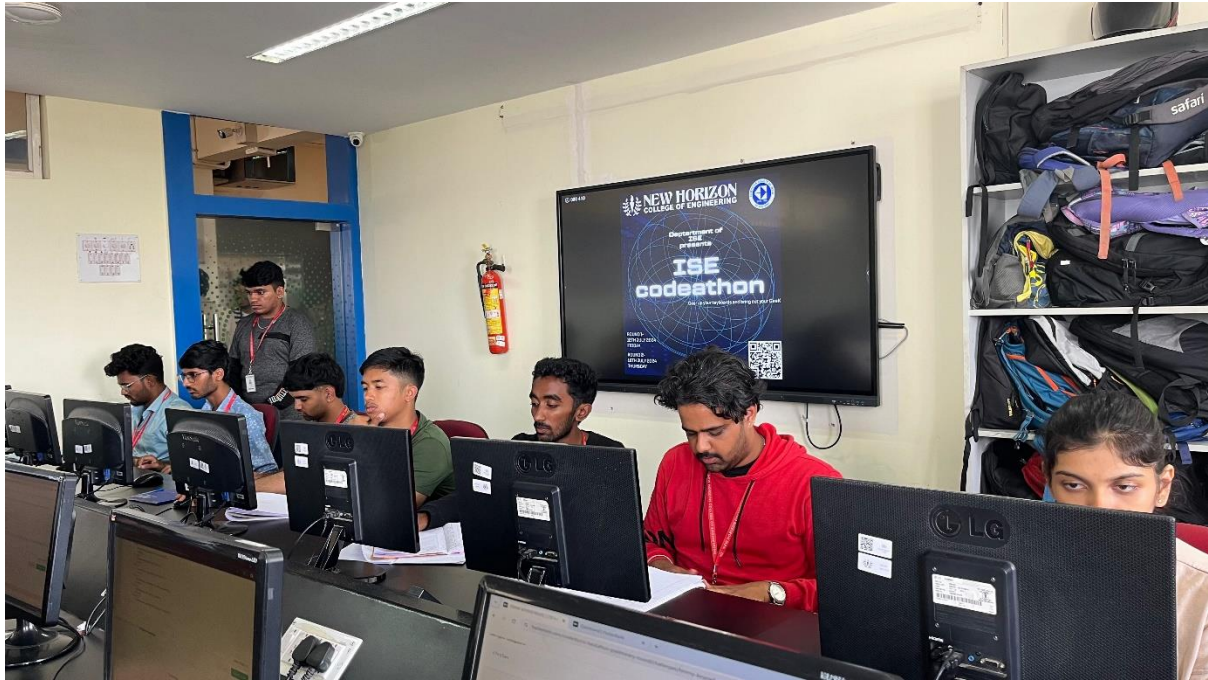

The contest provided a platform for the students to demonstrate their coding skills and innovative problem-solving approaches. Unique and diverse solutions were observed, reflecting the creativity and technical proficiency of the participants.

To shortlist the students for finals, ISE CODEATHON event was conducted on 12th July 2024 for the 4th semester students. We had 40 students, who applied their technical skills to solve a diverse range of problems on the Hackerrank platform. Students were given 1 hour time to solve 5 statements with increasing difficulty level. The participants were evaluated on their score and time taken.

At the conclusion of the event, six outstanding students from ISE department were shortlisted for the final round. Similarly, we had 6 students from AIML, 8 students from CSE and 6 students from MCA department respectively for the final round.

The finals were held on July 30 and our top 6 finalists competed with AIML, CSE and MCA department participants. The Chief Guest Mr. Karthikeyan, Project Manager Capgemini, Bangalore had been invited for the occasion, who delivered a talk on "significance of coding in corporate world". Finally, the winners of the **Coding Contest** were awarded with cash prizes and certificates.
