DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING EVENT REPORT

Title	Social outreach program on the topic " Learning with Gamification."	
Department	Information Science and Engineering	
Date	From: 07 March 2025	To: 07 March 2025
Time	From: 01:00 pm	To: 04:00 pm
Brief Description	<p>On March 7, 2025, the Department of Information Science and Engineering organized a social outreach program titled "Learning with Gamification." Ms. Neha Jadhav, Ms. Shruthi G R, and 15 fourth-semester ISE students visited Varthur Government High School in Varthur, Bengaluru. The program aimed to engage students through interactive games and activities.</p> <p>For the boys, a dodgeball game was organized. This game involved running, jumping, and overall physical activity, helping them develop quick movements, agility, and present-moment awareness.</p> <p>A chit-game was conducted for the girls. Each participant picked a chit containing an unknown topic. This game encouraged them to use their articulation skills to form different perspectives and opinions, fostering a space for sharing fun ideas and experiences.</p> <p>After the session was successfully completed, the faculty coordinators gifted the school two cartons of colored and white chalk as a token of appreciation.</p>
