DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING EVENT REPORT

Title	Feeding Kindness: An Outreach Day at the Goshala	
Department	Information Science and Engineering	
Date	28 th May 2025	28 th May 2025
Time	11:30 AM	01:30 PM
Brief Description	<p>On the serene morning of May 28th 2025, our team embarked on a meaningful outreach program at the ISKCON Temple Goshala in HBR Layout. The visit, titled "Feeding Kindness: An Outreach Day at the Goshala" was more than just an event; it was a soul-enriching experience that brought us closer to nature, spirituality, and community service.</p> <p>Activities and Experiences</p> <p>Our day began with the simple yet profound act of feeding the cows at the goshala. This activity resonated deeply with us, as the cows exuded a sense of calm and gratitude that was both humbling and uplifting. Each of us felt a sense of connection to the animals, experiencing firsthand the joy of giving and the importance of kindness in everyday life.</p> <p>Following the feeding session, we were privileged to engage in Darshana, a spiritual practice that brought a sense of peace and tranquillity to our hearts. The serene atmosphere of the temple grounds further amplified the experience, leaving us feeling rejuvenated and spiritually aligned.</p> <p>Knowledge Session with Guruji</p> <p>One of the highlights of our visit was the insightful session conducted by Guruji. He shared the significance of feeding cows in our tradition, weaving in stories from ancient scriptures and the Bhagavad Gita. Through his words, we learned that cows are considered sacred and symbolize selfless service, nurturing, and abundance. Guruji's narratives illuminated the deeper meaning behind our actions and inspired us to incorporate these values into our daily lives.</p> <p>Additionally, Guruji delved into other stories from the Bhagavad Gita, emphasizing principles of dharma, devotion, and compassion. His teachings left a profound impact, encouraging us to reflect on our roles in creating a harmonious society.</p>	

	<p>Reflection and Conclusion</p> <p>Our visit to the ISKCON Temple Goshala was more than just an outreach program; it was a journey of self-discovery and spiritual awakening. The act of feeding the cows, coupled with the Darshana and Guruji's teachings, left an indelible mark on each of us.</p> <p>As we departed the goshala, we carried with us not just memories of a peaceful day but also a renewed commitment to live with kindness, compassion, and a deeper sense of purpose. We are grateful to the ISKCON community for their warm hospitality and for allowing us to partake in this enriching experience.</p> <p>Acknowledgments</p> <p>We extend our heartfelt thanks to the ISKCON Temple Goshala team for their guidance and support during our visit. Special thanks to Guruji for his invaluable teachings and for enlightening us with the wisdom of the scriptures.</p> <p>This outreach program was a reminder that small acts of kindness can create ripples of positivity, and we hope to carry forward this spirit in all our future endeavours.</p>
