

DEPARTMENT of INFORMATION SCIENCE and ENGINEERING

A Guest Talk on “Beyond Boundaries – Unlocking Global Learning”

The Department of Information Science and Engineering at New Horizon College of Engineering organized a Guest Talk on “Beyond Boundaries – Unlocking Global Learning” on Friday, 12-09-2025, at 11:00 AM in the ISE Department, Chhatrapati Shivaji Block, NHCE.

The event began with a welcome note by Ms. Deepika, a student of the 7th semester, followed by an introduction to the guest talk by Dr. Vandana C. P., Head of the ISE Department. The participants of the event were students from the 7th semester.

Event Brochure

The brochure is a vertical rectangular poster with a dark blue header and a light grey footer. The header contains the New Horizon College of Engineering logo (a torch and laurel wreath) and a circular emblem celebrating 25 years of global learning. To the right are logos for the Department of Information Science and Engineering, the IEEE, and other affiliations. The main title 'Beyond Boundaries – Unlocking Global Learning' is in large white font. Below it, a portrait of Zeke Montgomery is shown. The event details (date, time, audience, location) are listed in white text with icons. The footer contains the names and titles of the Faculty Coordinator, Convenor, Dean, and Principal.

Assistant Director, Graduate Recruitment
Drexel University

12th September 2025
11:00 AM - 12:00 PM
7th Semester Students
C - 524

Faculty Coordinator
Mrs. Rama Dan
Senior Assistant Professor - ISE

Convenor
Dr. Vandana C P
Associate Professor and HoD - ISE

Dr. R J Anandhi
Dean - Academics

Dr. Manjunatha
Principal - NHCE

A Guest talk on "Study Abroad Opportunities" was conducted by the Department of Information Science and Engineering in Room No. 524. The session aimed to provide students with insights into international education, application procedures, scholarships, and career prospects. The event was attended by students, faculty members, and experts in the field of international education.

Topics Covered

Benefits of Studying Abroad

The speakers highlighted the advantages of pursuing education at foreign institutions, including exposure to diverse cultures, access to advanced academic facilities, and enhanced career opportunities.

Application Process

A step-by-step guide was provided on applying to international universities—covering how to choose the right course, prepare application documents, and meet admission requirements.

Scholarships and Financial Aid

The seminar outlined various scholarships, grants, and financial aid programs available to international students, along with practical tips for submitting strong applications.

Visa and Immigration Process

Experts discussed the visa application procedures, including required documentation, interview preparation, and legal formalities for different countries.

Challenges and Adaptation

Alumni shared their personal experiences with cultural adjustment, language barriers, and strategies for adapting to life in a new country while studying abroad.

Career Prospects

The session concluded with discussions on job opportunities, internships, and post-study work permits available to international students in various countries. The guest talk on "Study Abroad Opportunities" successfully provided participants with a comprehensive understanding of international education prospects. Attendees gained valuable insights into the application process, financial aid options, visa requirements, and global career pathways. The session encouraged students to explore international academic opportunities and make informed decisions regarding their higher education plans.
